### Major Funds

#### GENERAL FUND

This fund is the State's operating fund. It accounts for the financial resources and transactions not accounted for in other funds.

#### COUNTER - CYCLICAL BUDGET AND ECONOMIC STABILIZATION FUND

This fund, commonly referred to as the "Budget Stabilization Fund" or "Rainy Day Fund," was created by P.A. 76 of 1977 to assist in stabilizing revenue and employment during periods of economic recession and high unemployment. In general, transfers are made into this fund from the General Fund during improving economic times and funds flow from this fund to the General Fund in times of declining economy. Additional information regarding the fund is provided in Note 3.

#### SCHOOL AID FUND

An amendment to the 1908 State Constitution created this fund in 1955. The 1963 State Constitution provided for the fund's continued existence. Its purpose is to aid in the support of the public schools and the intermediate school districts of the State. School aid payments to school districts are based on a statutory formula.

The fund receives State revenues restricted to local school programs, including: the constitutionally dedicated sixty percent of the collections of sales tax imposed at a rate of 4% and all of the collections of sales tax imposed at the additional rate of 2%; State Lottery Fund earnings; a percentage of the adjusted gross receipts from casino gaming; the real estate transfer tax; and portions of the personal income, cigarette, liquor, and industrial and commercial facilities taxes. A constitutional amendment approved by voters in 1994 made structural changes in the method of financing local school districts. The amendment authorized the levy of a statewide property tax, which is deposited in the School Aid Fund. Appropriated transfers are also made from the General Fund.
